

Pi Mu Epsilon

The mathematics honors society for university students

Shall Meet On:

**Thursday, November 12, 2015
12:15-12:50 PM in Hume 101**

**We will watch the NOVA documentary “The Proof”
about Andrew Wiles and his solution in 1994 to a 300-year-old
mathematical problem called “Fermat's Last Theorem.”**

**A one-time payment of \$10 covers your pizza lunch
for all meetings this semester!**

See you Thursday!
