

The University of Mississippi Department of Mathematics

2018 DALRYMPLE LECTURE

# MATHEMAGICS

THURSDAY  
March 1, 2018  
7 o'clock p.m.  
OVERBY AUDITORIUM

“As seen on  
The Colbert  
Report, CNN  
& TED TV”

“He talks like a  
performer, acts like  
a magician, and  
multiplies faster  
than a calculator.”  
—LOS ANGELES TIMES

THE UNIVERSITY of  
MISSISSIPPI

**DR. ARTHUR BENJAMIN** is the Smallwood Family Professor of Mathematics at Harvey Mudd College in Claremont, California. He is also a professional magician, and in his entertaining and fast-paced performance, Dr. Benjamin will demonstrate how to mentally add and multiply numbers faster than a calculator, how to figure out the day of the week of any date in history, and other amazing feats of mind.
